

# Global Prayer for Peace

Three times AUM.

- 1) May the Lord Sanat Kumara, the Lord of Justice, prevail over the governments!
- 2) May the Manu Vaivaswata preside over the minds of men and wield them to goodwill!
- 3) May the Maha Chohan steer the forces of civility into varied groups of extreme ideology!
- 4) May the Avatar of Synthesis round up the extremism and bring in all-round human progress!
- 5) May we join the Hierarchy of Masters who lead us from darkness to light.
- 6) May the Mother Earth cause the needed adjustments for prevalence of peace and poise!
- 7) May we pray the World Mother through the symbol Sri Yantra, the sound Sreem and the colour Violet.

Symbol:

Sound: Sreem Sriyaha Swaha – 16 times
