INVOCATION

May the Light in Me be the light before me
May I learn to see it in all.

May the sound I utter reveal the light in me
May I listen to it while others speak.

May the silence in and around me present itself,
The silence which we break every moment,
May it fill the darkness of noise we do
And convert it into the Light of our background.

Let virtue be the strength of my intelligence,
Let realisation be my attainment,
Let my purpose shape into the purpose of our earth,
Let my plan be an epitome of the Divine Plan.

May we speak the silence without breaking it.
May we live in the awareness of the background.
May we transact light in terms of joy.
May we be worthy to find place in the Eternal Kingdom OM.

Master E.K.

MESSAGE OF THE TEACHER

The Lord is as near as distant. We, as students of Truth, try to perceive the Lord at some distant and remote hidden place. We try to comprehend the Lord beyond the cosmic, solar and planetary manifestations. Such perception creates greater distances. That which is beyond the cosmic system exists in the cosmic, solar and planetary systems. In truth the Lord exists in you as yourself. If you solve this riddle you have solved the riddle of Magic. When you see the Lord as different from you, as the Essence of Being, you are only around the Truth but you do not experience; you can only speak about the Truth but you cannot speak Truth. Contemplate to dissolve the subtle veil that you impose upon yourself.

Such is the Aquarian message of Master CVV.

PRAYER FOR THE YEAR

In HIS name we live
In HIS Temple we live.

In HIM verily we live
Until HE opens HIS eye in us.

In HIS name HE lives
In HIS Temple HE lives.

In HIM verily HE lives
As HE opens HIS eyes in us.

Let us look to HIM
When we look to each other.

Let us find HIM in all that IS.

MESSAGE OF MASTER E.K.

IGNORANT TEACHERS

Pushing to enlighten the ignorants into the Light is an act of complete ignorance. Trying to show the beauty of the dawn to the born blind is not common sense. How are you worried if some remain ignorant? What do you lose if others are like that?

Don't you see the Will of God that prevails all around? The Lord knows how to retract his beings. He knows how to attract and retract them. All that happens in Creation is in Divine Order. Do what you are entrusted to work with; don't comment any further.

MESSAGE OF THE MONTH OF AQUARIUS

The world, when manifest, seems existing, and when unmanifest, seems non-existing to the worldly. Whatever is existing, is existing eternally, whether visible or invisible. That which IS can never be not, or IS NOT. That which is not, can never be.

This sublime truth can be understood only if you can understand how you are in sleep, how you awake and what is your state of awakening. If you know this you know the magic, the magic relating to you and the magic relating to the universe.

This magic is held as a secret in the constellation Magus. It holds the secret of IS and IS NOT. It gives the clue to the seeming nothingness and the apparent something. That which is visible to the naked eye, is apparent, it seems real. That which is not visible, seems to be nothing. Actually nothingness is seeming nothingness. "Somethingness" is apparent "somethingness".

The magic of this is given in the Veda as "the Passage from the Negative Zero to the Positive Zero". This Passage exits in you from your eyebrow Centre to *Sahasrara* as a vertical line. This passage is represented by the month of Aquarius in the Vedic astrology. In Sanskrit the month of Aquarius is called *Mâgha*. MAGHA is the month of Aquarius. When the moon is in the constellation of Magus, which exists in Leo, and the sun in the month of Aquarius, this magic happens for the year on the Full Moon day.

Master CVV, the Aquarian Master, also known as the Avatar of Synthesis, was born on the Full Moon of Leo, which is the counterpart of the Full Moon of Aquarius. The science of magic dawned on him due to his magnetism being receptive of "the polar opposite of the universal magic". If we consider the Aquarius Full Moon, when the sun is in Aquarius and the moon in Leo, the relating energy can be made to manifest by Leo Full Moon, where the sun is in Leo and the moon in Aquarius.

GÎTÂ-UPANISHAD

- LORD KRISHNA -

THE ADVAITIAN

The aspirant needs to know what is his state of awareness when he is beyond the triangle of qualities. Arjuna made such an inquiry. The Lord replayed: "The one who transcends the 3 qualities, namely, *Sattva*, *Rajas* and *Tamas*, (poise, dynamism and inertia) is no more localized in his awareness and he permeates into all that is surrounding him. He experiences the unity of Existence; he experiences himself as 'THAT' and 'THAT' as he; he further experiences that only THAT exists. That is called Brahman in the Vedas. Brahman means: 'that which permeates by self-utterance'.

To such a one there is no other. He does not feel anything different from him. He has no second thing. The one who experiences this is beyond illusion; he suffers no death even when the world is dissolved. This is the ultimate state, which presides over all states. It cannot be defined. In that, all forms merge; into that, all principles merge. The previous experience of illusion disappears at once, just like all that one experiences in the dream disappears at once when he awakes. This is the awakening, O Arjuna, I transmit to you".

cont. p. 7:

It is like linking the North Pole of a magnet to the South Pole of the Universal Magnet and linking the South Pole of the magnet to the North Pole of the Universal Magnet. The Plan for the New Age was thus conceived and transmitted. The Plan of the Aquarian Age is to transcend death and experience immortality. The related secret is in Aquarius.

LORD MAITREYA
ADVICE TO DISCIPLES

The Master values internal and external purity

The Master values if you can express profound Truth in simplest words.

The Master rejoices if you do not cause illusion through your speeches.

The Master further rejoices if your teaching is practicable.

If you and your teaching do not distance away from Truth, the Master co-operates.

Teaching essentially requires repetition. This is inevitable. If you carry patience to teach repeatedly the same, in different ways, the Master smiles at you with greater joy.

Look at the gardener who nurtures the earth through frequent redressing so that fresh life is received by the earth and is transmitted to the sapling. You too need to be a gardener. A true gardener is the true guardian.

The above are the ways to please the World Teacher

(These are Lord Maitreya's instructions to his disciples)

MASTER MORYA
- MARUVU MAHARSHI -
FIRE - THE HEALER

All changes in the world are the work of fire. Wars are certain major changes contemplated by the fire. Humanity did not grow into that synthesis where the grand work of fire is comprehended when a bomb is exploded. If you are a true student of Agni you see the higher plan in such fire manifestations. People who are afraid of changes cannot be students of Agni. When sudden changes happen in the life of an individual or society or in Nature, it is nothing but the work of fire.

Normally fire works in a hidden manner and its work is subtle. The latent heat in the earth causes agreeable transformations to the plant. The latent heat in the body also causes natural transformation of the body cells. But when needed, there can be sudden explosions of fire for betterment.

A body full of stomach disorder can be saved through 2 to 3 days of high fever. Fever is not seen as sickness by those who know the process of healing. A person that goes through fever is fresh like a flower after the fever and he looks tender.

You do not carry enough comprehension of the healing done through fire. Appreciation of the work of fire is a way to experience the hidden dimensions of the Plan.

MASTER KOOT HOOMI
- DEVAPI MAHARSHI -
THE SQUINT EYE

For the squint-eyed one the vision is not normal. He sees different, but he does not know that he sees different. Even if he is told so, he does not agree, he does not believe. All those who carry only sight, but not vision, are considered 'the squint-eyed ones' in our group.

We refer to the squint as lack of vision. When you do not carry vision you only have viewpoints. The visionaries can see the centre; they hit the bull's eye, but not around it.

My disciple Akbar the Great knew this. He was therefore a visionary. He could spot the squint-eyed ones around him. He never followed their advice. He was believing only in Birbal, the wise man.

Those who wish to lead should believe only in those who have no bias and prejudice. Such one would mislead. He should ensure a wise counsellor around him.

Some people see better with the right eye, some people see better with the left eye; few people see through the Third Eye. If you learn to eliminate bias in your thinking, you stand a better chance to grow proximate to the Third Eye.

A true Teacher tries to correct the squint in you by showing you in your bias your mirror image. Think about it.

THE TEACHINGS OF
MASTER D.K.

LET VISION COME AND INSIGHT

Detachment should be seen as detachment from duality. The state of equanimity enables detachment. Detachment does not mean avoidance. Many try to avoid the world in pursuit of Truth, but Truth is hidden in the world itself. The world is the way and the Truth is the background. If you are with the way you have the magic of illusion, but all that magic is based upon the Truth.

Those who wish to unveil the veil, should learn to work with the inner implements in the outer world and not only with the outer implements. When the inner implements are used, man gets insight. Insight is called vision. It comes to you only when you know to use the inner implements along with the outer ones. The inner implements are called in Sanskrit *Antahkaranas*. When you regularly use *Antahkaranas*, you experience the vision and the insight. When you have gained such insight, the outer cleavages are gone. When outer cleavages give way to the inner Truth, the beauty of the work of light and sound is rejoiced. This is what we crave for our students to gain.

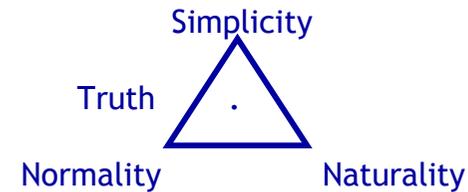

VIDURA WISDOM TEACHINGS

There is no fall for the aspirant that bathes daily, prays punctually, studies Scriptures regularly, eats not unholy food, speaks truth, and serves goodwill.

SHIRDI SAI SAYINGS

THE TRIANGLE

The Teacher is for the weak and the meek, for they need him as support mechanism.

The Teacher has never been understood by the intellects, for the latter know not the simplicity of life, which is the abode of Truth. Truth is simple and expresses in simplicity.

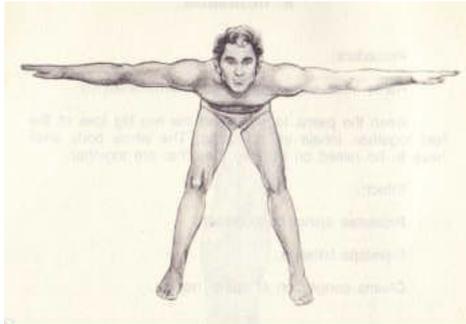

The Teacher is ever simple, normal and natural and his life supports others to grow proximate to the Truth - via normality and naturality.

BOOK REVIEW

MYSTIC MANTRAMS AND MASTER C.V.V.

Master CVV is known for his Mystic Mantrams, meditations and teachings. Through such mantrams (= composition of sounds), he stimulates the inquisitive faculty of the seeker of truth and recruits him into the inner side of things. Dr. Ekkirala Krishnamacharya (Master E.K.) is an excellent exponent of the teachings of Master CVV and renders a lucid commentary on the mantrams which throws significant light for proper understanding and application of the process of enlightenment.

THE AQUARIAN CROSS

The Aquarian Cross is one of the cosmic symbols. The cosmic mind is represented by a four-fold cross. It speaks of the fourfold existence at all planes. Each time we look at it we must get the recollection of our own fourfold existence. Then the purpose is well served. The symbolism of the cross and the astrological significance of the Aquarian Cross are well explained with deeper symbolism coupled with ancient wisdom.

TOURS OF THE TEACHER

4th -25th February 2003

2nd Caribbean Tour to Miami (Florida) - Santo Domingo (Rep. Dominicana) - La Habana (Cuba) - Pozo De Rosas (Venezuela)

Miami (Florida)

Different meetings with the core group of the WTT Miami took place in the various houses of the members to grow more in consciousness and co-ordinate the activities more effectively.

7th -9th February 2003: Santo Domingo (Dominican Republic)

Our Sisters Margarita and Mariem received the Master upon arrival at the airport. A group of more than 200 persons was waiting for the Master in Santo Domingo. The group has been founded by Sister Elisabeth some years ago to honour the work of the Masters. It is the first visit of the Master to the Dominican Republic.

Subject: "The Work in the Temple".

Every morning and every evening during two days the Master spoke on how to work in the Temple. The group's name is known as "Templo de Servidores de Cristo" (Temple of Christ's Servers). They dedicate their work to the Hierarchy of the Masters in general and in particular to Christ, to Master Morya and to Master Racokzi, the Master of the seventh ray. They regularly meet 3 times a week in the centre, attached to which they run a bookstore. They would very much like to have all the books of Master E.K. and Master K.P.K. to be distributed in Santo Domingo.

A group of 50 people visited El Cerro Santo along with the Master. El Cerro Santo is located in the middle of the island and is a historic place that was visited by Christophorus Columbus in his first voyage to La Hispaniola.

The Master was also taken to the historic centre of Santo Domingo where he could see the first university in America, the first money printing house in America, the first cathedral in America and the palace of Diego Colón.
