INVOCATION

May the Light in Me be the light before me
May I learn to see it in all.

May the sound I utter reveal the light in me
May I listen to it while others speak.

May the silence in and around me present itself,
The silence which we break every moment,
May it fill the darkness of noise we do
And convert it into the Light of our background.

Let virtue be the strength of my intelligence,
Let realisation be my attainment,
Let my purpose shape into the purpose of our earth,
Let my plan be an epitome of the Divine Plan.

May we speak the silence without breaking it.
May we live in the awareness of the background.
May we transact light in terms of joy.
May we be worthy to find place in the Eternal Kingdom OM.

Master E.K.

PRAYER FOR THE MONTH

This prayer is recommended to be done daily during this month.

The Saviour is coming.
He comes through degrees.
He is the star of the Virgin,
Who is in charge of Nandi.*
Nandi is the Kailash of the moon.
There she is the star of the Virgin.
She is the Mother,
She is the grace.
He is on the bull,
She is on the lion.
Moon is on His head,
She is on the crown of fish.
Moon is on His head,
He is the Lord of She.

*Nandi is the divine bull, the thrill of sound.

MESSAGE OF THE MONTH

Rejoice the advent of the Saviour. The advent is enacted as a drama every year during the midnight hours of 22nd December, when sun enters into Capricorn, the Saviour emerges through the virgin nature, for virgin nature only is capable of giving birth to the Saviour.

From ancientmost times the inauguration of the apparent northern coursing of the sun is considered as the return of the Saviour. From Cancer to Capricorn, the six months period is seen as dusk to dawn. The Saviour disappears through the western horizon into invisibility and becomes visible once again on 22nd December as the dawn of the year. The sunrise is always rejoiced as the return of the sun, who is the Master of the solar system.

From Capricorn to Cancer, the period of six months is seen as 'the Holy Divine Arch', while the other half is seen as 'the Royal Arch'. The rays of the sun during the morning hours of Capricorn have a special impact on the beings, and for this reason the aspirants are required to orient to these rays as they have the special ability to balance the matter and the spirit and confer yogic consciousness.

May the members gain such yogic consciousness through appropriate orientation towards the sunrise of Capricorn.

THE GITA

- LORD KRISHNA -

COBWEB

Intake is considered important in relation to discipleship. Intake is manifold, it is not only intake of food through the mouth, as there is also intake through the eye, through the ear, nose, and skin. The quality of all these intakes decides nourishment or otherwise of the body. Qualitative food intake nourishes the body, the memory of the intake nourishes the mind

Hence discrimination is important in respect of the fivefold intake. Memory of these intakes establishes feelings, which are not desirable. The feeling about the food that was eaten, the person or the place that was seen, the talks heard, the touches experienced, form a layer of gray matter around the vital body and obstruct the flow of life force. Entertaining the feelings of the sense objects causes development of gray matter, which constitutes the emotional body.

It is unhealthy to brood over the experience of sense objects. When food is needed, take in and forget. Similarly, as regards the other senses experiences.

Otherwise you would be caught in the cobweb of emotions.

THINK IT OVER

- LORD MAITREYA -

A grandchild was frequently sitting in the grandfather's chair. The parents repeatedly tell him not to take to the grandfather's chair. The child questions the parents: "Why?" The grandfather observes and smiles.

The grandchild tries to walk with the big shoes of the grandfather, the parents tell him not to do so, the child questions: "Why?" The grandfather observes and smiles.

The child tries to use the pen of the grandfather, the parents deny him the pen, the child questions: "Why?" The grandfather observes and smiles.

The child has aspirations. The parents have no answer to the "whys" of the child. The child gets into conflict. The grandfather smiles, because the parents have ceased to be the teachers.

The grandfather provided a Teacher to the child who answered the "whys" to the child.

Aspirants need to be answered. Only Teachers can do it and give the "why" of things.

THE QUESTION

- MARUVU MAHARSHI -

Once a disciple approached me and asked: "How long should I serve? Should I serve till I die?" I smiled and told him: "Until the question dies. If you die before the question dies, continue in the next life till the question dies". The disciple got stunned for a while and the next moment he smiled and left in gratefulness for the answer.

When the question dies, service continues. Service is the other name for sacrament, engaging with the sacrament keeps you sacred.

Doing is living, done is death.

A PLAY OF THE LETTER 'D'

- DEVAPI MAHARSHI -

Discussing Divine things, is a Disease. Discipleship Demands Disconnection with such Discussions.

Discussion about the Divine Ones is still worse, it leads to contrast, comparison, criticism, and judgment.

Be cautious not to fall into Discussions, instead Devote yourself to Duty.

The other name for Duty is 'service'.

VARIOUS FORMS OF TELEPATHY

- MASTER DJWHAL KHUL -

TELEPATHIC ABILITY

The ability develops steadily as the aspirant treads the Path of Discipleship; it is frequently prefaced in the earlier stages by much confusion, much astral psychism and frequent wrong interpretations. There is no need at this stage, however, for undue distress, because all that is needed is experience, and that experience is gained through experiment and its expression in the daily life. In no case is the truism of learning through a system of trial and error proved more correct than it is in the life and experience of the accepting disciple. When he is an accepted disciple, the errors decrease in number even though the trials (or the experimental use of the many varying energies) become more extensive and, therefore, cover a much wider range of activities.

THE WORK OF GOD

- SHIRDI SAI -

Self-realisation is an incident that enables release of unlimited Soul energy to transform substantially the quality of the surrounding life.

Every true incident of self-realisation causes such a metamorphosis.

The one who goes through the experience becomes a channel for the Universal Energy to effectively conduct its Plan. It is the work of God upon Earth.

QUOTABLE QUOTE

- VIDURA -

The double danger with money lies in its non-availability for deeds of goodwill, and its availability for deeds of evil.

POISE-THE HANDMAID

- MASTER E.K. -

Do you wish to be at poise?
The answer is: "Of course".
Are you willing to disconnect with desire?
The answer is silence.
If you learn disconnection with desire but not with duty,
poise is your handmaid.

A GOOD WORD

THE PUZZLE

The one beyond the three qualities
is invisible,
hence you do not see.
The one who comes through the three qualities
is visible,
that you do not wish to see.
When it is formless you cannot see,
when it is in form you do not see.
Whom do you blame?

GREAT INVOCATION

From the point of Light within the Mind of God
Let Light stream forth into the minds of men.
Let light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May CHRIST return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men -
The purpose, which the Masters know and serve.

From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

From the Avatar of Synthesis who is to come
Let His energy pour down in all kingdoms.
May He lift up the Earth to the Kings of Beauty.

Let Light and Love and Power restore the Plan on Earth.

Master D.K.
