## INVOCATION

May the Light in Me be the light before me  
May I learn to see it in all.

May the sound I utter reveal the light in me  
May I listen to it while others speak.

May the silence in and around me present itself,  
The silence which we break every moment,  
May it fill the darkness of noise we do  
And convert it into the Light of our background.

Let virtue be the strength of my intelligence,  
Let realisation be my attainment,  
Let my purpose shape into the purpose of our earth,  
Let my plan be an epitome of the Divine Plan.

May we speak the silence without breaking it.  
May we live in the awareness of the background.  
May we transact light in terms of joy.  
May we be worthy to find place in the Eternal Kingdom OM.

Master E.K.

The world goes to sleep.

## MESSAGE OF THE MONTH

Virgo is an earthy sign. It has the potential for subtle/virgin matter. This needs to be developed through discipleship. It is an opportunity, but not an accomplished state. An average Virgo is materially inclined. Their material understanding is good, they are laborious and intelligent. Their ability to grasp the physical plane issues is much more than their ability to grasp the subtle, which is the basis for the physical. They are not disinclined to the subtle/occult understanding, but this needs to be cultivated. The Virgo should learn to physically apply himself laboriously to ensure that the mental matter remains vibrant to the will.

Virgo is the threshold for material bondage or alleviation therefrom. Caution in this matter is needed for the disciple.

K. Parvathi Kumar

## THE GITA

- LORD KRISHNA -

### THE STABLE ONE

The stable ones are recognized through the following five qualities:

1. Undisturbed in the mental balance even during difficult situations/mental unaffected by adversities.
2. Unattached to the pleasurable events of life.
3. Fearless in frightening situations.
4. Cannot be infuriated by the misbehaviour of others.
5. Naturally silent at the mental plane "due to its linkage with the Higher Self"

## ADVICE

- LORD MAITREYA -

An advice for you. Do not advice others unless sincerely asked. Advice given unasked is ignorance, advice given without ensuring that the seeker is sincere to learn, goes waste. I know many of you are anxious to advice. This is foolish. Advice should be given when someone sincerely believes in your wisdom and has confidence in you. There are as many casual advice-seekers as advice-givers.

You may note that there are multitudes who seek advice casually and throw it away into a wastebasket. They do not follow the advice but keep coming now and then for a casual seeking of advice.

Not all are capable of advising. The ability to advise comes from:

- a) Sympathetic and patient understanding of other's problems
- b) Referring the problem to one's own buddhic plane and then come back with love and affection with the response received from the buddhic plane. The solutions are always found by the one who can ascend at will into the buddhic plane.

Advising is a responsibility. Do not be in haste to advise.

## DIAMOND CONSCIOUSNESS (5)

- MARUVU MAHARSHI -

As one advances in the practice of retaining consciousness while slipping into sleep, a new awareness unveils itself as an aspect of initiation. This generally happens in an easier manner with the blessings of the Master. It requires that the practitioner should continue to work with spiritual values in daily life. Until this new awareness awakens, the life of the individual soul in the physical is not linked with the subtle.

Therefore, the physical life activity terminates by each event of death, while the subtle activity continues unconsciously, as the seeds relating to the spiritual value continue to exist. These seeds of spiritual values continue to inspire the individual soul to pick up the lost thread from the last life while yet another program at the material plane takes place, which eventually terminates by death. Thus, the soul has a program on the physical plane, which terminates by each death and a program at the subtle plane, which continues as seeds for future manifestations.

In respect to the worldly life he has a worldly name. Apart from these worldly names, which change from life to life, the soul also is given a spiritual name in respect of the spiritual work that happens with him continuously through the series of lives.

The spiritual practices also continue from life to life, though unconsciously, in the subtle existence, while the material activity keeps unfolding as per the seeds of karma. In respect of the former, the Teacher undertakes some responsibilities; in respect of the latter the disciple is responsible himself.

The linkage of the two happens when the new awakening takes place as an initiation. This is called the Third Initiation. This can be gained through the practice suggested in these series of teachings.

## A FEW HINTS TO CHELAS

- DEVAPI MAHARSHI -

1. Do not speak of occult principles to the disinclined. It would result in insult of occultism.
2. Avoid as far as possible those who are overcritical of Scriptures and Masters of Wisdom.
3. Associate not with persons who do not work for the family and the friends. They are the irresponsible ones, unworthy of friendship.
4. All those who know and who are intelligent need not necessarily be men of goodwill. Be discriminative in associating with such persons.
5. Care not for others insults, hecklings and obstructions, in doing the work of goodwill. Ignominy in the path of goodwill has its invaluable fruits in due course of time.
6. The sacrifice that you demonstrate in serving Men of Wisdom never goes a waste. On the contrary it gives such fruits, which are not otherwise available.
7. As you refine yourself, you grow proximate to us and stand the chance of visualizing us. Crazy demands cannot be responded. Responsibility is the keynote both for you and for us. If we respond to your emotional call, your energy gets totally disturbed and will unearth the deepest undesirable traits that are buried deep down in you. It is also likely that you would become lunatic.

## VARIOUS FORMS OF TELEPATHY

- MASTER DJWHAL KHUL -

### SOUL, MIND AND BRAIN

Telepathic work between soul, mind and brain. In this stage the mind still remains the recipient of impression from the soul but, in its turn, it becomes a “transmitting agent” or communicator. The impression received from the soul, and the intuitions registered as coming from the Spiritual Triad, via the soul, are now formulated into thoughts; the vague ideas and the vision hitherto unexpressed can now be clothed in form and sent out as embodied thoughtforms to the brain of the disciple. In time, and as the result of technical training, the disciple can in this way reach the mind and brains of other disciples. This is an exceedingly interesting stage. It constitutes one of the major rewards of right meditation and involves much true responsibility. You will find more anent this stage of telepathy in my other books, particularly “A Treatise on White Magic” (Pages 176-180, 415-428, 477-478).

This much that I have outlined here is practically all that concerns man in his own inner individual contacts and work and training. There is, however, a whole range of telepathic contacts which should be noted because they constitute the goal for humanity.

## THE HEALING AGENT

- SHIRDI SAI -

When the healer realizes in him “the One”,  
the healing energy flows.  
It matters not through what means one should heal  
when thus linked up.  
In His name all is curable in time  
and all means  
including the healer work as mediums.  
The “Udhi” of Shirdi  
is the best healing agent I have left behind.

## QUOTABLE QUOTE

- VIDURA -

The one  
who neglects the Pitris,  
who worships not the Devas,  
who ignores a friend,  
is a fool.

## NATURE'S TRICK

- MASTER E.K. -

The human activity centers around self-propitiation. Nature conducts its welfare activity through the human. The humans, illusioned by the motive of self-propitiation keep working day and night. The fruits of such activity get distributed and only the illusion of self-propitiation continues with the human.

Nature is intelligent enough to conduct the welfare activity even through the selfish activity of the human.

## A GOOD WORD

### PROTECTION

The one who is equanimous, is naturally protected.

The one who is conspiring, has no protection, in spite of heavy security arrangements.

Man seldom understands that his behaviour is the basis for protection or lack of protection. Others roles are instrumental.

K. Parvathi Kumar

## ***GREAT INVOCATION***

From the point of Light within the Mind of God  
Let Light stream forth into the minds of men.  
Let light descend on Earth.

From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May CHRIST return to Earth.

From the centre where the Will of God is known  
Let purpose guide the little wills of men -  
The purpose, which the Masters know and serve.

From the centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where evil dwells.

From the Avatar of Synthesis who is to come  
Let His energy pour down in all kingdoms.  
May He lift up the Earth to the Kings of Beauty.

Let Light and Love and Power restore the Plan on Earth.

Master D.K.

In sleep, in awareness, and in dream  
OM utters forth itself.

If you follow OM  
through continues recollection  
you would pass through, consciously,  
the three states  
and know for yourself  
how you are beyond the three.  
Hence learn to follow OM  
as continuously as you can.
