INVOCATION

May the Light in Me be the light before me
May I learn to see it in all.

May the sound I utter reveal the light in me
May I listen to it while others speak.

May the silence in and around me present itself,
The silence which we break every moment,
May it fill the darkness of noise we do
And convert it into the Light of our background.

Let virtue be the strength of my intelligence,
Let realisation be my attainment,
Let my purpose shape into the purpose of our earth,
Let my plan be an epitome of the Divine Plan.

May we speak the silence without breaking it.
May we live in the awareness of the background.
May we transact light in terms of joy.
May we be worthy to find place in the Eternal Kingdom OM.

Master E.K.

PRAYER FOR THE MONTH

This prayer is recommended to be done daily during this month.

Creation was planned before you came.
You can plan for yourself like the plan of Creation.
Creation is for all, you are one among the many.
The Plan of all is work, the Plan of one is faith.
Faith for work is ritual, work for faith is heresy.

*Work is called Karma, which is different from individual Karma the faith. Karma according to the Scriptures is divine but not selfish.

MESSAGE OF THE MONTH

Contemplate upon fullness and nilness.
Learn to equate the two.
Verily it is one, appearing alternately
as one or the other.

Contemplate upon the circle.
Contemplate upon the basis of concepts.
Contemplate as to what is it that is contemplated.
The answers to the above give you the hint
to the Aquarian Energy.

K. Parvathi Kumar

THE GITA

- LORD KRISHNA -

UNFINISHED WORK

The devas conducted a great sacrifice of the One
who formed the One into many.

The devas have to conduct yet another great ritual
to link up the many through the agency of the senses.

The devas are now conducting the ritual of enabling the many
to know their Oneness.

It is incomplete as yet.

CONCEPTION

- LORD MAITREYA -

The work is done through concepts. Unless you conceive, you cannot work.

The habit of conceiving can settle in you the related concepts.

Conceiving is natural, conceptualizing is the by-product.

Acts of conceiving for work do not condition you, but the by-products of concept can cause conditioning.

Learn to conceive and learn not to conceptualize.

Likewise, learn to listen, learn not to judge.

This is a playful game we often play as between us.

MUSIC

- MARUVU MAHARSHI -

A disciple, who was busy in the world with the activity of service, was once granted entry into our Ashram. To his utter surprise he found me and my associates in collective singing. He was dismayed and thought: “What a paradox. I heard that the Ashram of the Master has all the heights and depths of knowledge and there lives are entirely dedicated to service and sacrifice. But here I see them merry, singing in chorus”.

I had observed his thoughts and smiled at him. I invited him and offered a seat to make himself comfortable. I gave a cup of tea and told him in a soft voice: “People have no knowledge of music. It is not an art of entertainment, it is not only to provide relaxation. Chaste music has the ability to heal. The ashram conducts healing work at global level through music. We are not serious-minded like you, we believe in conducting healing without the kind of tense attitude you show in the world, to heal. The healing work that you do is serious. Seriousness kills the healing energies, while playfulness multiplies them. Singing is a way of healing, if you know how to sing.

We too were like you until we had the touch of the Magic Flute of the Lord. He showed the way to teach, to heal, and to permeate the Presence. Be at ease”.

ABILITY AND INTELLIGENCE

- DEVAPI MAHARSHI -

Everyone has an influence, big or small, over the surroundings. The influence depends upon the ability.

Distinguish ability from intelligence. Intelligence has tendencies for manipulation. Ability is therefore not seen as intelligence but as the capability to help. The influence of the able ones is deeper and longer lasting than the ability of the intelligent ones.

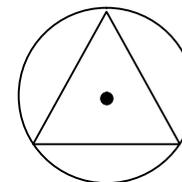

It is not intelligent to follow the path of intelligence. If you are intelligent, follow the path of ability. All able ones are intelligent enough. All intelligent ones are not able enough.

VARIOUS FORMS OF TELEPATHY

- MASTER DJWHAL KHUL -

The following symbol when contemplated upon at the brow centre helps the telepathic impression from Higher Circles.

Visualize the circle as the Universal Soul. The equilateral triangle can be visualized as the 3 qualities equipoised and the central point as your awareness.

Thus, from the Universal Energy, through the 3 divine qualities you are receiving the plan of action, the know-how relating thereto, and its timing for manifestation.

There is also another way of contemplating upon the above symbol. Take the circle as the Plan emerging from Higher Circles to Shambhala. The apex point of the triangle can be taken as Shambhala, and the other two angles can be taken as the Ashrams of Lord Maitreya and Manu, you being the centre.

Receive the Plan through the triangle. If this symbol is worked out clearly through contemplation at the brow centre, the link is established with the Higher Circles for reception of the Plan.

This is possible only to those who have gained purity in the 3 planes of the body.

THE LAND OF TWO RIVERS

- SHIRDI SAI -

The true seeker is the one that realizes the superficiality of the objectivity. Objective experiences come to pass. They are temporary. They seem to give happiness but demand repetition. It is like swimming in shallow waters.

The pearls of the sea are available only in the depths of the ocean. The treasures of the earth are available only in the deeper mines. Even the drinkable water is underground.

One needs to dwell deep into his “being” to realize the permanence, the deep experience of his being and the eternal bliss of “being”. The deeper one lives in, the greater is the constancy. The tree deep-rooted is stable and remains unfurled by the wind and the cyclone. The true seeker realizes thus the importance of depth.

QUOTABLE QUOTE

- VIDURA -

The gateways
to unhappiness are:
anger, vengefulness and miserliness.

THE MEANS AND THE END

- MASTER E.K. -

When you read the Scriptures,
you read through the pages.
But what is read is not the pages but the Scripture.
When you lead life,
you lead thorough the three qualities
that is: poise, dynamism and inertia;
but what is to be experienced is life,
but not the impact of the qualities.

Ensure that the means do not obstruct the purpose.

A GOOD WORD

THE COMPASS

Man stands on two feet, one is left, the other is right, one is material, the other is spirit. Man cannot stand at ease if he stands on one foot. The ease is when he stands on the two feet.

Look at the ignorance of those who want to hug spirit in preference to material, or hug material in preference to spirit. It is like standing on one leg or the other, it doesn't give the ease and results in disease.

For this reason, the compass is given as a spiritual symbol to give the above message, that is, to stand on the two and remain above the two.

K. Parvathi Kumar

GREAT INVOCATION

From the point of Light within the Mind of God
Let Light stream forth into the minds of men.
Let light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May CHRIST return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men -
The purpose, which the Masters know and serve.

From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

From the Avatar of Synthesis who is to come
Let His energy pour down in all kingdoms.
May He lift up the Earth to the Kings of Beauty.

Let Light and Love and Power restore the Plan on Earth.

Master D.K.

The life, the awareness and the joy of living
are all based upon Existence.

Existence is OM.

Link up to OM

and build the equilateral triangle of
Life, Light and Joy.

K. Parvathi Kumar
